

quickCUBE

a cubicle in a box

NEW

We've have been designing toilet cubicles for over 130 years with consistently high quality and creative designs. Our customers requested an affordable and easy to assemble washroom cubicle – our solution is **quickCUBE**.

quickCUBE is a practical, pre-packed toilet cubicle specifically designed for the cost-conscious customer. Built from Melamine Faced Chipboard (MFC) it is easy to clean, for use in dry washroom environments and available in 3 colour schemes.

Our aluminium fittings tightly secure all cubicle components – making **quickCUBE** a truly robust washroom solution. The full height door hinge conceals exposed edges allowing you to trim the width to suit.

quickCUBE is stocked across all our U.K. depots where you can expect the same high level of service and speed of delivery all our **multiPANEL** customers enjoy - making **quickCUBE** available "off the shelf".

Benefits

- ✓ Ready to Assemble
- ✓ Extremely Cost-Effective
- ✓ Can be Trimmed On-Site
- ✓ Free & Fast Delivery

Cubicle doors come with an aluminium indicator bolt providing security and pleasing aesthetics

quickCUBE comes with a full-height door hinge to allow door width to be trimmed

Cubicle legs are set-back and fixed to the partition, whilst providing a solid fixing to the floor

Quick to Order, Quick Delivery & Quick to Assemble
